

Order a Got Energy Triathlon event jersey today!!

Product Details:

- Made by Mt. Borah
- Nettuno performance lycra (Nettuno is an Italian produced lycra and poly based 6 ounce fabric. The construction is light and breathable, with a polished surface which resists picking. The four directional stretch of the fabric maintains its shape and provides superior fit. Great for swimming, biking and running.)
- 18" hidden front zipper
- 2 side pockets
- **Cost = \$52.75 / jersey**
